Picture/Video Release Permission Form:

In our current culture it seems like everyone is linked into the internet in some way, shape, or form. Whether it is Facebook, Twitter, Blogging, Google+, etc., much of our time is spent online. With that in mind, we believe it is important for us as a ministry to go where the people are—that means going online. In addition to e-mail notifications and our church family website (thecalvary.org), our Calvary churches are linked into many of the above mentioned sites; it is a key part of how we communicate and do ministry.

As a result, we will likely be posting pictures, using videos, etc., that will involve students in our ministry. We would like to ask your permission to post those pictures and videos to our various sites—all of which are used for ministry purposes alone. If you select the first option below, you give us permission to do this.

Please select one option:

- I give permission for Calvary churches to post pictures and videos of my child as described above.
- I do not give permission for Calvary churches to post pictures and videos of my child as described above.
